### ***St Audries Bay Accordion Festival***

We are depleted in numbers tonight because many of our members are enjoying a week away in Somerset. I hope they all have a great time.

Please see John if you are willing to play a tune or two this evening.

### ***Crawley Accordion Orchestra***

They will be playing on Woking Bandstand at 2pm on 3rd August 2019. Chairs are provided and you can take a picnic and enjoy the entertainment.

There will be a varied programme. Themes from musicals and films with a bit of Latin thrown in.

I am sure they would appreciate some support.

### ***Tillingbourne Accordion Orchestra Ripley Event 20th July 2019***

This is an annual event taking place on the village green just up the road from here starting at 1.30 pm tomorrow.

It is a free family day out supporting local and national charities.

Tillingbourne Accordion Orchestra will be playing during the afternoon alongside The Panama Cafe Orchestra.

There will also be a Rock Choir and dancing display.

There will be the usual stalls and many other attractions including Vintage Cars and a Dog Show. Would be great to see you there.
