

Guildford Accordion Club

Newsletter 15th October 2021

Please give a warm welcome to our guest this evening

Roman Voloshchuk.

Roman has entertained us at the club before and we appreciate him returning to play for us.

He has a unique cabaret style and charm.

A beautiful baritone voice and immense talent on the accordion.

From swing to Musette, he does it all.

He always plays varied program and is kind enough to play requests from you the audience.

Roman is available for private parties / functions, or any other occasions where some music would help to improve the atmosphere.

He also teaches piano, accordion and singing as well as the accordion.

What more can I say, sit back and enjoy the evening.
