"Hot Spots"

Tonight we look forward to some really good entertainment.

Ivan North and Freda Davis will be doing some duets after the play along and later Nigel Pasby and Helen Newton will take to the floor. Please give them a warm welcome.

We would like to encourage members to enjoy participating and play at the club on their own or in groups. We want you to be the "Hot Spots" of the future.

If you would like to play and are worried and would like some support see John or Ivan and I am sure someone will be willing to help

Website

A new website is being designed for the club and we hope to have it up and running soon. The website will inform people of club nights that we have had. The events and guest nights coming up will also be listed.

Video clips of some of our previous guests artists can be viewed.

If anyone has anything of interest that can be included on the site please let us know.

Great Fun!

A member of Twickenham Rotary Club has contacted us. They are arranging an International Evening each January.

The next one will be on Tuesday 24th January 2017 and it will have a French theme. Would one or two members be willing to provide a bit of after-dinner entertainment on that evening? It wouldn't need to be all French tunes.

Christmas Party.

Usually members bring in a small serving of food to be shared during the evening. We have always had a wonderful response and hope this year will be a year to remember.

We will also have some Christmas play along pieces for you to enjoy.
