*Newsletter 17th May 2019*

A very warm welcome to everyone here tonight. Quite a few members have gone on the trip to Italy this week so numbers here will be down. They will be visiting many places associated with the accordion and learning more about how they are made. I am sure it will be very interesting. We wish them a safe journey and hope they enjoy the trip. Everyone that has been before said it was enjoyable and many are going again.
